Deirdre August 18, 2022

Reliable and Clean. I rented this van to help transport out of town guest around the city, and to pick up family from airport. Vehicle was clean but lots of hail damage and some fender damage. But hey it did its job. I only mentioned it so others won't be as shocked as I was. I rented the white town and country. Process was different from my other Turo experiences but it went smoothly. I would definitely rent from Artis again

**Your response**

Thank you Deirdre. I do my best to provide a dependable and reliable vehicle. Unfortunately, vehicles come back with travel experiences. I am happy to read that your experience with me went well. I look forward to your return.
